## What Makes This Benefit and Golf Tournament Unique?

The Benefit and Live Auction on Sunday evening will revolve around the celebration of "Coaches Who Make a Difference" in communities, school districts, athletic programs and the lives of the young people that they coach and mentor on a daily basis. The Live Auction is designed to raise funds for the THSCEF as it continues to enhance educational opportunities for Texas coaches. The funds raised are also used to support our Permanent Injury, Memorial Benefit and Benevolence funds.

Each team that participates in the tournament is asked to select one coach who has made an impact in their lives and play in honor of that coach during the tournament. These coaches are recognized in *Texas Coach* magazine as "Coaches Who Have Made a Difference." This benefit and tournament serve as a means to show appreciation and support for the coaching profession and the positive effects it has on our society.

Come join us as we celebrate and honor our Texas coaches!
